Important Notes

Please note that each visa application is reviewed individually. Therefore, the requested documents may vary. The German Embassy reserves the right to ask for additional documents. The submission of the above-mentioned documents does not guarantee the issuance of a visa. Applicants may, at any time, be asked for a personal interview. Submission of incomplete documentation or refusal to attend the mandatory visa interview will result in a refusal of your visa application. Once a visa has been issued, the purpose of the trip may not be altered.

It takes approximately two to three months to process your visa application. **We strongly recommend that you do not purchase an airline ticket unless the visa has been granted.** We kindly ask that no status requests on the visa application be made during the first two months. We will notify the applicant on any change of status or progress of the application as soon as possible and whenever the need arises.

Upon receiving the visa: Please check visa data for possible mistakes as soon as you receive your passport. Pay particular attention to the visa's validity (start and end dates). Also check the correct spelling of your name as well as the number of entries you were granted. The visa section must be informed of possible mistakes immediately and cannot be held responsible for any problems that occur as a result of incorrect data or a missing signature in the travel document.
